TRMG2

Caliper

SMALL GROUPS

Going Deep with G2

- Facilitator: Gerald Daniel
- Panelist: Kyle Ward
- **Conversation with G2 developers that will provide an opportunity for those who would like a bit of a deeper dive into TRMG2.**

Making Models Work for Communities

- Facilitator: Jake Ford
- Panelists: Ted Mansfield, Alex Bell
- **Focus on unique applications using the TRM, or data from the TRM.**

Nerdy Musings and Curious Cats

- Facilitator: Leta Huntsinger
- Panelist: Vince Bernardin
- **A place to offer ideas, explore questions, and discuss issues that could lay the groundwork for future investigations and/or model improvements.**

Smaller groups so I encourage folks to come on camera as you are able so the groups can have more of a dialog
